Formed in 1993 by Lord Ahriman & the former guitarist Blackmoon. Sweden's Dark Funeral has carved its evil imprint on the Metal map in just a few short years, causing quite a stir within the Metal community. Since Dark Funeral's demonic beginning, the band has attained nothing but praise and adoration for its hellish attack on the musical scene. So far, their devilish work include 4 highly acclaimed releases. And we are hereby proud to announce the re-release of their cult debut MCD, which for the past 2 years has been out of print. It is regarded as a true black metal classic.
